

K4Community Plus

How to Update the App

To update your app (for Apple iOS devices):

1. Go to the App Store on your device
2. Search for '**K4Community Plus**'
3. Click the **Update** button

To update your app (for Android devices):

1. Go to the Google Play Store on your device
2. Search for '**K4Community Plus**'
3. Click the **Update** button

Note: if the button says "open" after you search for K4Community Plus, your device is already running the latest version of the app and you do not need to do anything. This applies to both Apple iOS devices and Android devices.

This only applies to the mobile app (on your phone or tablet). K4Community.com is updated automatically.
